Defendant.

SARAH NETBURN, United States Magistrate Judge:

The Court has received three email messages from Plaintiff *pro se* Jose Reynoso regarding this case, which was closed on April 4, 2019, following an agreement reached at a settlement conference before the Court.

In sum, Mr. Reynoso's emails raise his concerns about an alleged payment discrepancy under the settlement agreement. Mr. Reynoso represents he received \$ [REDACTED] but states a recollection that the settlement agreement was for \$ [REDACTED]. Mr. Reynoso attaches to his July 20, 2020 Email a copy of the executed settlement agreement, which indicates the settlement agreement was for \$ [REDACTED], the same amount he acknowledges receiving. This amount is also consistent with the Court's file on the matter, which reflects a settlement for the same sum. Additionally, the case is closed and the time to move to reopen the case has passed. See ECF No. 61.

CONCLUSION

The case remains closed. To preserve the confidential nature of the settlement agreement, this Order will be filed under seal with a redacted version filed on the public docket.

SO ORDERED.
